**From Pearl Street, driving North (SEE MAP):**

1. At the end of Pearl Street, enter the roundabout.
2. Take the third exit from the roundabout into Point Defiance Park.
3. Stay in the left lane and drive through the park, over a speed bump, around a sharp curve to the left, and past the Pagoda Building (on your right).
4. Once past the Pagoda, the road splits twice. When you reach the first split, continue in the left lane. At the second split, take the road to the right.
5. Next, you should come to a stop sign.
6. Just beyond the stop sign, park in the one of the designated spots on the right side of the road. You will be between the Pacific Seas Aquarium and a grassy picnic and playground area. If there is no available parking in this parking area, you may proceed uphill and around the corner to a parking lot on the left.
7. Zoo Snooze staff will meet your group at 7:00 p.m. outside at the Pacific Seas Aquarium delivery dock area, directly across from the parking spots. Staff will wait for the entire group to arrive before entering the Aquarium.

**Please refer to the attached map.**

**If you are using Google maps/mapping app, navigate to “Playground in Point Defiance Park”. This will lead you to where we’ll meet behind the Pacific Seas Aquarium. Do not navigate to “Point Defiance Zoo & Aquarium”, as it will lead you to the zoo’s main entrance instead. Staff will be waiting on the backside of the Pacific Seas Aquarium across from the playground.**

**If you require directional assistance on the night of your Snooze please call 253-888-2746 after 6 p.m.**

**In the event of emergency or late arrival, please call Zoo Security at 253-677-7093.**
